STAT

The History Staff is now at work on an official history of Richard Helms as Director of Central Intelligence.

STAT

Ken McDonald, our Chief Historian, tells me that he was in contact with you a year or so ago. Since then John Bross has suggested that you might be able to give me some information about CIA relations  during the Helms years.

Might it be possible to arrange an interview sometime in the next several weeks?

I shall telephone you later this week to chat a bit more about this.

Sincerely yours,

A handwritten signature, likely of the Staff Historian, consisting of stylized initials.
